What to Wear at The Heart

On Sunday: campers wear "whites": white shorts, white T-shirt or blouse, white tennis shoes and white socks.

During tribal ceremonies (Tribe Hills, Tribe Ground, Naming of the Braves), campers wear the Tribe Uniform: Tribe T-shirt and shorts, white tennis shoes and socks. Campers should have a minimum of four sets of Tribe Uniform (two or three sets in the two-week term). Tribe uniforms are sold in our Trading Post.

New campers may use the New Camper Order Form (red ink) for Tribe Uniform and other clothing that is desired in the tribe colors. Please let us know your size and the quantity you would like to order; after we determine your tribe at our Opening Ceremony, we will fill this order and get it to you on the second day of camp.

At all other times during the session, campers must wear any shorts that are red, white, blue, or green, and any Heart shirt: either the Heart logo T, a Tribe T, or any other shirt purchased in our Trading Post.
